Candidate for Election as New General Minister and President!

John 17:23 – "...that they may become completely one, so that the world may know that you have sent me and have loved them even as you have loved me." (NRSV)

Micah 6:8 – "[God] has told you, O mortal, what is good; and what does the Lord require of you but to do justice, and to love kindness, and to walk humbly with your God?" (NRSV)

We praise God for the forwarding of Pastor Terri Hord Owens as the candidate at our General Assembly in July for election as our new General Minister and President of the United States and Canada! Her nomination was by an overwhelming majority. She serves as the Dean of Students at the University of Chicago Divinity School, Chicago, IL and pastors First Christian Church (Disciples of Christ), Downers Grove, IL.

Read part of her vision candidate for the office of movement that has become Christ) has always focused on differences that may seek to to disagree and we offer love in reconciliation and anti-racism welcomed us. In these ways, we many differences. In these

that God laid on her heart for our church as a General Minister and President. "The vision of the known as the Christian Church (Disciples of the unity of believers, even amidst and in spite of divide the church. We give each other permission all things. We declare that we are a pro-church, and that we welcome all as God has have sought to live justly, in unity, in the midst of times in which we live, an active understanding of unity is even more important to our church, our movement in the U.S. and Canada, and around the world. John 17 has long been one of my favorite New Testament texts because I believe it sets forth the reason why we are to execute the Great Commission, and why we are to love our neighbor as ourselves. Jesus' prayer for unity is not to establish "kum-ba-yah" moments, "feel good" experiences that evaporate after we release our neighbor's hand. Jesus' intent and vision is that we are one "so that the world may know that you have sent me and have loved them even as you have loved me." (John 17:23b, NRSV). Our striving for unity is perhaps the most powerful way in which we bear witness that the love of God is real and present in the world. If we can hold one another in community, even in the presence of tensions that result from human differences of various dimensions of identity, socio-economic status, geography, theology and politics, it should be our goal that the world will see in us what is possible through Christian love and unity. We can be an example to the world to say that we believe the gospel of Jesus Christ and his church are so important that we can work together despite those differences to ensure that God's message of love is shared and lived out in the world, as we work for justice for all. This is, I believe, what Jesus prayed for, and it is what I believe we are called to live out as disciples/Disciples of Christ."

Pray for her and pray for our church leaders!

God's love,
Pastor Long
