WEEK OF COMPASSION DISCIPLE MISSION FUND
SPECIAL DAY OFFERING, SUNDAY, FEBRUARY 20, 2022

“The world has changed dramatically in the last 2 years. Communities around the world have been both socially and economically affected by the COVID-19 pandemic. That impact has been felt even more deeply in the most vulnerable communities and in those also affected by other disasters.

Wildfires continue to get worse year after year in the U.S. And Canada, and the same is true in Europe. Severe drought affects communities around the world, making safe water even more difficult to access in a time when it is needed more than ever to stop the spread of disease. Earthquakes have destroyed homes, lives, and livelihoods in many global locations, including Haiti. And conflict continues to uproot families and communities, forcing more people to be displaced. In the past year alone, we have witnessed this in places like Myanmar, Afghanistan, and else-where in the Middle East.

Even so, through your support for Week of Compassion: love remains. In the midst of so much uncertainty and suffering, Week of Compassion continues to respond...in times of crisis.”

Please use your blessing box donations to put your love into action.
